Dear Ms. Hodges:

Thank you for your hospitality and for accommodating the CCF Program Office staff at the site visit to your organization on April 14, 2009. The staff enjoyed seeing the work of your organization as well as learning more about the administration of your CCF project. They especially enjoyed meeting with your sub-award organizations and learning about the impact of the training, technical assistance, and financial assistance award. It is clear that your organization is dedicated to serving the community.

Lola Montgomery and Renee Bergen reported that United Way's evaluation of the Champion Zones project appears quite comprehensive. We certainly appreciate grantee efforts to document what works.

I would like to extend a special thanks to you, Ms. Jan Morse, Ms. Debbie Andalora, Ms. Karen Hansen, Ms. Rena Coughlin, Ms. Lori Evans, and Dr. Kenneth Wilburn and the sub-award organization directors with whom my staff met during their visit. We all look forward to continuing to work with you on your CCF grant project.

Sincerely,

Thom Campbell
